THE ST. JOSEPH DIABETES CENTER PRESENTS

A FREE EDUCATION OPPORTUNITY

PREDIABETES

presented by

Susan Rauch, RN, BSN, CDE

Monday, January 23, 2017

Medical Center Conference Room 1

2nd Floor, beside the Café at St. Joe's

6:00 p.m.

Prediabetes is a condition that can lead to type 2 diabetes and heart disease. Learn about prediabetes and the steps to prevent or delay it. Small steps can make a big difference in your health!

This FREE opportunity is open to the public. We look forward to seeing you!

For more information, contact the St. Joseph Diabetes Center at: (208) 799-5227
