

# SOLID FINANCES

## 2016-17 Webinar Series

Finances are complicated. Deciding on priorities and ways to meet them is difficult. Many of us are overwhelmed by the choices and decisions and do not know where to find accurate information.

The *Solid Finances* webinar series offers **unbiased financial information absolutely free**. Your library and University Extension Educators are partnering on this project to help people successfully navigate in today's economy without investing a lot of time researching individual topics.

*Solid Finances* is an online, webinar-based financial education series. Scheduled over the noon hour (*Mountain Time*), the sessions cover issues related to:

- Money management
- Emergency funds and savings
- Credit and debt
- Student loans
- Insurance
- Identity theft
- Home buying
- Health and aging
- Investing
- Retirement planning
- Estate planning
- Advanced directives
