

SUPPORT GROUP *for* Melanoma Warriors & Survivors

JOIN THE IDAHO 'SOL' SURVIVORS

We offer free monthly support and educational meetings for melanoma patients and their caregivers in the Boise, ID area

"Meeting with people that understand and relate to the anxiety and fear that you sometimes experience when you have melanoma has been helpful and invaluable to me. The positive support in and out of our meetings has been very uplifting...I am grateful everyday that I have this group of people in my life." --- Ruby, Stage III Survivor, Boise ID
