

Walking Rally

Objective:

To find and photograph 12 items on a list, using a digital camera. The first team to return with photographs of all 12 items is the winner!

Instructions:

1. Photograph your entire team in front of (or near) each item on the list.
2. All items are located in the _____ (e.g. North End) in plain view.
3. You can pursue items on the list in any order.
4. Team members should work together and must finish as a team.
5. Be respectful of property, people, and furry things.
6. Be careful! All 'rally-ers' are asked to sign a Participant Agreement.
7. This is a timed event. When you finish the rally, immediately check back at the starting point. Your time will be noted and your camera shots checked.

Tips:

Take a few minutes to get organized.

You may want to assign specific items to specific people.

It may help if everyone on your team has a list.

Mark off the objects on the list as you photograph them.

HAVE FUN!!
